Tambacan, Iligan City 📍

*An Aspiring Web Developer*

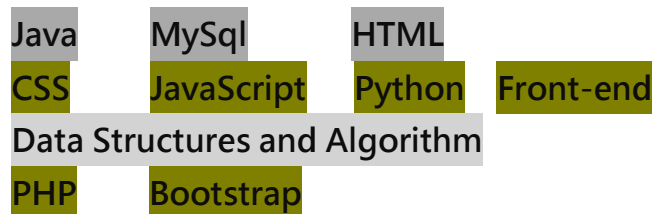

---

## **INTRODUCTION**

Hello! I'm an enthusiastic beginner with a growing passion for coding. I've been exploring the world of Java and web development, and I'm eager to learn more and apply my skills to create innovative solutions. I'm currently focusing on front-end technologies and gaining foundational knowledge of back-end development. I'm also exploring the MERN stack (MongoDB, Express.js, React.js, Node.js) to expand my skillset. I'm excited to continue learning and growing as a developer.
